

Electronic Services

Online Banking (Free)

Conduct Credit Union transactions from anywhere you have access to the Internet. Perform transactions quickly and easily, and without having to drive to a branch office and stand in a line. Take care of your financial business at your leisure and with no worries. All e-transactions are done through a secure Internet connection.

Online Banking allows you to:

- Transfer funds between your accounts
- View and print cleared checks
- View and print account history and balances
- Access lines of credit
- Make loan/credit card payments (within ValleyStar)
- And much, much more!

Mobile Banking (Free)

The ultimate in convenience! Check balances, view account histories, transfer funds, plus deposit checks (available on app only) from the convenience of your smartphone or tablet. If you're enrolled in Online Banking, you're able to start using Mobile Banking with just a few quick steps!

Bill Pay (Free)

Our upgraded bill payment system is the easiest, most advanced way to manage your bill payments. The basic features come FREE with a ValleyStar checking account.

Basic Features of Bill Pay:

- Free service with ValleyStar checking account*
- Pay and manage all bills easily from one screen
- Make one time and recurring payments
- Set-up due date reminders
- No more stamps and envelopes!
- Reduce paper use and waste!
- Safe and secure!

Teller24 (Free)

This is another way you can access your account anywhere you have a telephone or cellphone, 24/7. With your account number and personal identification number (PIN), you can access your account to:

- Transfer funds between your accounts
- Access lines of credit
- Make check withdrawals
- Make loan payments (within ValleyStar accounts)
- See if checks have cleared

*With at least one transaction every 60 days
