

A Letter from Our President/CEO

Dear ValleyStar Members,

We are excited to announce that we officially merged Valley Community Credit Union of Waynesboro, VA into the ValleyStar Credit Union family effective January 1, 2017. The joining of our two credit unions makes our organization stronger and better able to provide the quality financial products and services our members deserve.

We will be maintaining the previous Valley Community branch office and ATM located at 501 W. Broad St. in Waynesboro. This facility will be able to serve your financial needs once all prior Valley Community members' accounts are converted over to our system on or before June 30, 2017. For now, we ask that you continue to have your accounts serviced at our branch locations in Collinsville, Danville, Martinsville, and Rocky Mount.

We are honored to have the Valley Community family join ValleyStar and we look forward to the exciting opportunities ahead of our vibrant, growing Credit Union!

Sincerely,

Delbert Lee Morgan
President/CEO

Here We Grow in Roanoke!

On December 7th, we celebrated the groundbreaking of our new branch location in Roanoke on Buck Mountain Road at the intersection of U.S. 220. Local dignitaries were in attendance along with ValleyStar board members and staff. This new facility will better allow us to serve our current members while attracting new members in the Roanoke area. The new branch is expected to open late 2017, so stay tuned for details on the progress!

Holiday Food & Toy Drive Results

We would like to sincerely thank all who donated toward our Holiday Food & Toy Drive to help make the holidays a little brighter for local families! All four branches did a great job collecting non-perishable food items and new, unwrapped toys for area Salvation Armies. The Credit Union also presented the Martinsville Salvation Army with a monetary donation in the amount of \$1,000 to further help children and families in need.
